Dear Strengthen Thy Sister,

On behalf of our students, thank you for your generous donation of school supplies and back packs. The state of the economy has prevented many of our students' parents from purchasing essential school supplies. In addition, several families were displaced as a result of the April 2011 tornado. Thank you for realizing that our students had a need. The children were not aware that they would be receiving your much needed gift. Seeing the smiles on their faces and knowing that they are now better equipped to complete their assignments mean so much.

Your dedication to the wellbeing and education of our students is evident by your time, effort, and donation. We truly appreciate your kindness, and we hope that you will be able to provide for other students in even greater capacities in the near future.

Best wishes to you in your endeavors.

Sincerely,

Rosetta Patton

Principal
