Dear Chaunceia:

Spring is here at last, and although there will be some chilly days; we are celebrating the season of Easter with its lessons of hope and renewal. So, too, do we celebrate the changes in the children of Child Center~Marygrove who have to work through so many problems.

The children who come to CCM need intensive therapy and psychiatric care, and we know that with treatment their lives can and will be better. We also try to bring some joy into these young lives. Your gift means we can provide some new spring outfits, enroll our children in various sports activities, obtain bicycles and gear for bike riding during balmy days and plan other outdoor activities.

We deeply appreciate your very generous donation of gift cards, toiletries, socks, manicure, pedicure, deodorant, headbands and bows and the baby supplies as well as the encouraging words to our residents. We shall remember you in our prayers and ask that God may bless you for your generosity!

Sincerely,

Sister Helen Negri
Chief Executive Officer

God bless you!
