Attn: Chaunceia Mayfield

Thank you for your visit on May 29, 2013. You came bearing gifts for our residents and they were very grateful. Our residents have very little and are always appreciative of anyone showing kindness and love straight from the heart.

Please do come visit us again, we are here 365 days a year and the residents always love seeing a new and happy face. God Bless your ministries and YOU for your kindness.

Sincerely,

Angela Camden, AD
